We Want Every Baby in Town

We want every baby in town, three years old or under, to pay our Dry Goods Department a visit during Baby Week and give us an opportunity to present a little souvenir. We are anxious that not a single kiddie be overlooked.

You Mothers

will not find the visit purposeless either. You cannot

SAVE THE BABIES

unless you give dutiful consideration to proper raiment. The matter of clothes is scarcely less important than that of food. A healthful condition is not possible if your baby is not garmented with due regard for comfort and hygiene. Our display of Infant Wear you will find rife with practical suggestions.

If you do nothing else, give our Baby Week windows the attention they deserve, and, most of all, DO NOT FORGET to bring your baby in for his little gift.
